Statement from Governor Nikki Haley:

"I have great respect for the will of the people, and as I have always said, I will support the Republican nominee for president. To the members of the press who are asking, while I am flattered to be mentioned and proud of what that says about the great things going on in South Carolina, my plate is full and I am not interested in serving as vice president."

Hey,

Need a comment from the governor on the fact that Trump is the presumptive presidential nominee.

Is she now going to outwardly support or endorse him for president as the destined Republican Party standard bearer?
