SUPPORT MENTAL HEALTH

DURING MIDLANDS GIVES ON MAY 2

Thank you for being a great partner and instrumental part of SC Thrive's mission of moving South Carolinians to sustainability. This year SC Thrive is participating in Midlands Gives. On May 2, we will highlight our Mental Health First Aid programs to strengthen our efforts across South Carolina. While we do receive grants and contracts that support our work, there is a program that we are very passionate about that is not fully funded by those means: Mental Health First Aid.

Our goal is to raise \$5,000 this year for Mental Health First Aid during Midlands Gives. By donating to SC Thrive on this day or scheduling a gift beforehand, you will support SC Thrive's Mental Health First Aid efforts. You can participate in Midlands Gives at midlandsgives.org/scthrive. Please connect with us on Facebook and Twitter (@scthrive) to stay up-to-date on this event. Thank you for your help in leading South Carolinians from crisis to self-sustainability!
