Subject: Fwd: Leno video Bugati displayed at HHI Concours

Carolyn, I am hopeful we can talk John into attending our concours and feel using this video as a promo if we can would generate a lot of excitement for this event . This would be great on all our websites , magazine ads and local newspaper press releases . Also getting the State behind this great event. Note John has done 4 videos with Leno , aired on Discovery Channel and considered one of the great experts of vintage cars in the world. John and I are also partners in several business ventures as well. Thanks

Subject: Leno video

Hello Skip,

Hope you are well. I left the U.S. a few weeks by way of Thomasville and traveled to France and then England for a vintage car race and found myself back in Argentina late last week. I'm in Parana now and getting caught up on things. Before I left CA, Leno and I did another video about one of Argentina Bugattis. Here is the link: <http://www.jaylenosgarage>.

com/cars/bugatti/1937-bugatti-type-35-pur-sang-replica/index.shtml#item=258115. Please show it to your car friends. I have just written to your friend Carolyn about the HH concours and am considering taking the same black Bugatti which is in the video out there in November. I'll keep you posted on that if anything develops.

Call me upon your arrival to your offices in Buenos Aires . Glad you made it to the factory to test drive the Bugatti. I will meet Gaston and go see the progress on your ranch on my way back up to Parana.

Your Pop art Americana Coca Cola Motorcycle was well received by the Peterson Museum in LA. It will be a big hit and see the value of this rising as a one of a kind spectacular pop art collectible.

Look forward to joining you again in BA at the Alvear Palace hotel cigar bar for our great Cohiba Maduro discovery .

You can reach me on my cell 24/7. Talk soon

Cheers,

John
