Haha. I did not mean to hit send. Here it is:

Oct 12th is the kickoff meeting for the new child support enforcement team. Director Alford, DSS project staff, the new vendor Xerox and subcontractor ProTech, and county stakeholders will be in attendance. This meeting is an opportunity for the Governor to set expectations and tone for the project going forward and "rallying the troops" for a successful project.

Holly,

Can you send me a sentence or two regarding the purpose of Governor Haley attending the Child Support Enforcement System Kickoff? This would be for internal use only on the Governor's briefing.
