Dear Lt. Gov Byrant,

I know that you are very busy and don't have a lot of time for some things that come your way. But my dad Jerry Fields of Anderson thinks the world of you and wouldn't have it any other way until I wrote you about what was going on with his Grand daughter. Amanda Saylor and her EX boy friend was in an accident on 9-23-2017 and it was in Laurens County at approximately between 9:30 and 10:00pm. He was driving and that's when she found out that he didn't have any license but to get the point her boyfriend hit a Laurens County cop and Amanda Saylor says that to her knowledge there was no damage to either car he was arrested the boyfriend and they drove off. No other officer was called and no report was filed and so when she went to renew her license they told her that she owed Laurens County \$2500 for their car and \$500 to get her license because she didn't have insurance. But Amanda Saylor says she is sure she did but. Jerry Fields is wanting you to look into it he says something doesn't sound right either on her side or there. I am putting his number and address at the bottom. Thanks for taking the time to read this I know it means a lot to my dad.
