5 Fun Infographics Explain What Data to Make Public and How [Read Now](#)

Hello Doug,

In an age of FOIA and growing demands for access to information, knowing what data to publish can be confusing for even the most experienced in communications. So we put together some fun—yet useful—infographics to help you out.

These five “Ask A Dataset” infographics show you what data to publish, and how to maximize, categorize, prioritize, and publicize that data.

Let Data J. Set guide you through the data publishing steps, so you can:

- Operate more efficiently
- Spend less time on FOIA requests
- Enable data-driven decision making
