Subject: Quick question about "Fight Song"

Chaney,

I'm a reporter for Independent Journal Review. Gov. Haley's tweet about "Fight Song" this morning caused some interest since it also happens to be Hillary Clinton's campaign song.

I'm writing a short item about it and wanted to reach out to see if the governor's office had any further comment. Was there further meaning behind tweeting a link to the song or does Gov. Haley just genuinely like it?

My deadline is 11:30 a.m.

Thanks,

Hunter Schwarz
