Under our SC Adjutant Generals authority, we are prepositioning assets, called LPTs. Line Patrol Teams, who are 8 person teams who operate 24 hour shifts with a HMMWV and wrecker, ready to assist the SCHP if needed. We have 11 of these teams getting ready if needed, primarily in the upstate. Right now we have not been called for support, but we are ready if needed, approx 80+ Soldiers standing by to support if called.
