Dear Governor Haley,

1/16/15

Thank you so much for your support of SCGSAH over your last term. As a vocalist here, I had the amazing opportunity of performing with the Cantus Choir at your inauguration this Wednesday.

Thank you so much for having us, as we all enjoyed it so greatly. This school means so much to me and has given me a future that would not have been possible at my home high school. Being in this environment has allowed me to excel academically and artistically, something I will forever be grateful for. I wish you the best with your second term.

Thank you so much,
Trenton Bridge
