I apologize for the delay. Lily will contact you tomorrow. That week is veto week, but I believe they'll be done by Thursday.

Danny,

I am just following up with you about the potential of the Lieutenant Governor being the honored speaker at the Rotary Club of Hilton Head, in honor of selected local students from public, private, and home schools. It appears that the program will be held at lunchtime on May 25th, 2017 and we expect approximately 200 people in attendance. It was my understanding that someone from the Lieutenant Governor's office would be following up with me about this, but I have not heard from anyone.

When it is convenient, please let me know what you can about the potential of the Lieutenant Governor being the honored speaker. Thank you.

Very truly yours,

Jay A. Mullinax

Danny,

Thanks again for the follow up. If you could provide me potential Thursdays from April 20th through any Thursday in June, when he would be available, then I can try to accommodate. Although I would welcome him as guest, my preference would be to give him an opportunity to speak to our club and any honored guests. Our previous speakers have included Senator Lindsay Graham and Congressman Mark Sanford, among others. We completely understand if his schedule does not allow for this.

Thank you again for your efforts and consideration.

Very truly yours,

That day, unfortunately, may be a day that the Assembly is taking up vetoes. That usually happens two weeks after the last day (the intervening week is the week that vetoes are written), but it's impossible to tell if it will take one day or two. I cannot commit to anything that week. Please schedule without us, but we will make sure to get there as soon as possible.

Mr. Mullinax, thanks for your time last week, and thanks for the invitation. May 11th is scheduled as the last day of the legislative session. We do hope to get to Hilton Head soon, and I'll ask Lily Cogdill to help schedule a time to come to Rotary. We look forward to seeing you soon.

[My apologies. My first attempted email was rejected with an incorrect email address]

Lieutenant Governor Bryant,

As a board member of the Greater Island Council of Hilton Head Island, I would like to personally thank you for taking the time to meet with our representatives. It is a pleasure to know that someone that shares the same birthplace (Anderson Hospital) plays such a prominent role in our State's government.

I am also writing to you to extend an invitation to you to speak to the Rotary Club of Hilton Head Island for our Student Recognition luncheon. The luncheon is given in the spring each year in honor of high school students chosen by each Hilton Head Island public school, private school, and homeschool organizations. Thursday, May 11th is one possible date for the luncheon, although another Thursday in the spring could be selected to accommodate your schedule.

I recognize that your schedule is very demanding. On behalf of the Rotary Club of Hilton Head Island (hiltonheadrotary.org), an active organization of over 150 members, we appreciate your consideration in accepting this invitation. Thank you for your service.

Please feel free to call or write to me with any questions.

Very truly yours,

Jay A. Mullinax
