Subject: RE: CWRC Academy MOU

I have a meeting immediately after this 2PM session - I'm going to try to get over there to do this in person, though - thanks.

Subject: CWRC Academy MOU

All,

We have scheduled a conference call with ACT for tomorrow at 2:00 to discuss the CWRC Academy MOU and our concerns as a leadership team regarding:

- The \$1.4 million annual utilization level – need for more detailed backup to support this number
- Procurement requirements for financial support.

Debra Lyons and Mary Mousky from ACT will be on the call. I have reserved a small conference room here at DEW – Room 516A; or you can dial in remotely at:
877-701-7869

PIN: 1310.

I have attached 2 documents to aid in our discussion. Those on the conference call at DEW yesterday received the hard copies of each document.

- 1) prior year history of expenditures with ACT
- 2) Pricing Proposal

Please let me know if you will be coming here for the call, dialing in remotely, or unable to make the call. Thank you.
