Hello,

I am the Lowcountry reporter for WSAV in Savannah, GA (covering Beaufort & Jasper counties).

I did a story a little while ago about an officer, Corey Wilkinson, who swam on flooded I-95 to rescue a woman from her car.

I hear he's been invited to lunch with Governor Haley tomorrow at noon.

I'm wondering, is it possible I might be able to be there at some point to get a couple of follow-up interviews? It's certainly a WONDERFUL story!

Thanks, and please let me know. I would've contacted you all sooner, but I just now found out.
