Excerpt:

- (7) R44-Department of Revenue
 - (a) Tax Processing System \$ 14,000,000;
 - (b) Identity and Credit Protection Services \$ 6,500,000;

(7.1) Of the funds appropriated above to the Department of Revenue for Identity and Credit Protection Services, any funds that the Department of Revenue determines on or before April 1, 2015 shall not be required to fund a statewide contract for identity and credit protection services shall by that date be transferred to the Division of Information Security to support the statewide information security program. Funds transferred pursuant to this provision may be used for enterprise technology and remediation, and distributed to state agencies to address the State's most serious information security vulnerabilities as determined by the Division of Information Security and the Division of State Information Technology.
