Subject: Final Version Social Impact Bond Feasibility Analysis

Attachments: SC PFS Feasibility Study 6-30-13 Final.pdf

Dear Rhett and Tony,

Please find attached the final presentation version of the Nurse-Family Partnership Social Impact Bond Feasibility Analysis. We look forward to going through this in greater detail with you all soon.

Please let us know if you have any questions or concerns. We will hold off sharing this widely until we have an opportunity to hear more from you. In the coming days, we will be sharing with those we have consulted previously to see if they find any errors, omissions, or points of concern.

We are especially grateful to Megan Golden for her assistance and expertise in completing the analysis.

We look forward to discussing next steps soon.

Best,

Joe
