Good morning! I am so sorry I have failed to follow-up regarding this request. However, based on the close proximity of the dates and getting making invitations, I would like to cancel our request for tickets. I know that you have a ton of requests for games and I sure no problem filling slots.

Thanks,
Jennifer

Subject: Football Games with the Governor

Katherine & Rebecca,
Good morning. I can't believe we have halfway through the summer!

Previously requested were 6 - 8 tickets to USC's home opener with UNC on Thursday night, August 29th. These are for Continental. They do not have to be in Gov. box. Can we have confirmation of these tickets and the number? If they are unavailable through the University or Governor's Office, I need to explore other options ASAP and we need finalize logistics in the next week or so. The game is just 7 weeks away!

As we did last year, we'd like to request 8-10 tickets for one game at each school so that we can host site consultants, existing industry and/or prospects in the Governor's box.

USC doesn't have a great home schedule, so I'm struggling for game that will draw out-of-towners. Here are my choices in order:

November 16 vs. Florida

November 2 vs. Mississippi State

As for Clemson, I've spoken with Angie Leidinger who was immensely helpful last year, we agree either of the following would be good options:

October 19 vs. Florida State

October 12 vs. Boston College

Please let me know if you have any questions.

Thanks,

Jennifer E. Noel
