Brian –

As we discussed this afternoon, Governor McCrory's office has asked me to reach out to the other governors in the OCS Governors Coalition for their input, review and signature on the attached letter on the BOEM OCS 2017-2022 OCS Leasing Plan.

Governor McCrory would like final approvals and confirmation for signatures by Thursday, March 26. More information on BOEM's five-year plan can be found here: <http://www.boem.gov/five-year-program-2017-2022/>, and the OCS Governors Coalition's letter to BOEM on the scoping of the five-year plan can be found here: <http://ocsgovernors.org/ocs-governors-submit-letter-on-2017-2022-outer-continental-shelf-oil-gas-leasing-program/>.

You may coordinate any edits and approvals with Crystal Feldman, NC Dept. of Environment and Natural Resources (crystal.feldman@ncdenr.gov) and Katie Toskey, Gov. McCrory's DC office (katie.toskey@nc.gov).

Thanks for your help on moving this.

Michael
