Good Afternoon,

A gentlemen from Anderson named Hugh Weeks called. He was rather insistent on speaking with you at first. I got him to tell me why he was calling. He was calling because his friend's daughter was fired by DHEC while out having open heart surgery. I've asked him to have his friend call me because we can't even try to help without talking to him or preferably his daughter. I'm not sure what we can do but once I have the story from the horse's mouth so to speak I will do what we can.

I did tell Mr. Weeks that I would tell you he called.

*Best Regards,*
