Lily please change the first paragraph to: "Thank you for your willingness to serve our seniors and our state. Unfortunately we received more applications than there were vacancies to fill and you were not selected for an appointment at this time."

The file is in the Lt gov drive under appointments in the council on aging folder.

Thank you.

First sentence needs to be two sentences, but all good otherwise.

Danny,

attached is a draft letter to send to those that were not selected to be appointed to the council on aging. I was debating who it was appropriate for this to come from and decided that it should come from me and not the Lieutenant Governor. If you can please approve of the letter and I will ask Lily to send them out this week. Thank you.

Lily,

Once Danny signs off, please send this letter the recipients listed below and make a copy for my files and send one to Gerry. You can sign my name.
