Austin, thanks for taking time out to meet with us yesterday about the Self-Sufficiency Standard. We are excited about the possibility of a partnership with Governor Haley to add this tool to our joint efforts on economic self-sufficiency for South Carolina's families. I have attached a summary of how some other states have used it.

I have also attached some draft language for Governor Haley's letter to CNCS supporting the AmeriCorps match funding. Thank you for your help in shepherding this through. Christian, as I am sure you know, serves on the Commission currently, so if you think we should channel this through him, just let me know.

Thanks again for your help--and don't hesitate to call if you need anything. My cell is 803.622.9176.
