Hello Katherine,

I wanted to let you know I have been appointed to the Council. I, thank you for every effort that you made on my behalf to make this happen. Starting with Shawn, and then leading to you, I don't believe this would have been possible, or expedited this fast. I am so grateful. If you are down this way, please let me know.

Graciously,  
DJ

David,

It was a pleasure speaking with you.

I would be honored to be one of your references. Below is my contact information.

I will follow up with you this afternoon after my meeting with the Director of Boards and Commissions.

Please confirm you have received this email.

Thank you, Katherine

Katherine F. Veldran
