MADE WITH PAPER FROM
WELL-MANAGED FORESTS

March 13, 2015

Dear Nukeki and Michael,

Thank you for thinking of us
with the gift of the beautiful Philodendron.
We are all well enjoy it for years
to come - and will think of you
thoughtful kindness and will all
remember my sweet Dad.
We're also so thankful for
all you do for South Carolina!
Sincerely, ~~Carly~~ Mary Webb
