Hello Hank,

This schedule / itinerary looks real good. I believe we can pull this off with no problem.

I will have my Chairman of the Board along with representatives from the local Veterans groups at this event, (all positive people). All staff and participants excited to meet the Lt. Governor.

Let me know is any changes to the schedule.

Have a great day.

The LG can meet staff, seniors, and take a tour. They also want to highlight the veteran-related staff they have in-house on Thursdays that specifically helps veterans with needed services.
