Good Morning Johnny,

Sorry for just getting back to you, I was out of the office yesterday. We have asked Florida if we can reference their "I Believe" design and we are still waiting to hear back from them. Robin can verify or add any information she has.

Thanks,  
Cam

FW: I Beleive plate

Good Morning Cam,

Have you had any progress on this plate? We are meeting today at 1:30 and I know I will be asked as to the status of the "I Believe" plate. I know that we have had you covered up lately, so just inquiring of any possibilities for this plate.

Cam,  
The email that I sent to you concerning the I Believe plate from Jimmy Earley should be considered high priority. This plate has taken on a life of its own. We need to settle on a design asap. SCDMV will be making the decision, not outside groups. If you can give us some electronic versions/suggestions, we will try to resolve this quickly.
