Subject: college/university screening report for 5 schools

Attachments: [3-15-18 screening report.pdf](#)

The screening report and transcript for candidates for Wil Lou Gray Opportunity School, Winthrop University, Francis Marion University, The Citadel and Clemson was printed in the House and Senate Journals on Thursday, March 15, 2018. These candidates will be released to receive commitments on Wednesday, March 21, 2018 at 12:00 noon. Only candidates for these 5 schools can ask for your vote. A list is attached.

The Commission is still screening candidates for the other colleges - and those people should not be asking for your vote. If anyone does - please let us know, because it is a clear violation of the law.

If you have any questions, just ask!

Thank you!
Martha Casto
