Ladies and Gentlemen:

Within the next day or so, you will receive a hard copy of the attached letter from TSA highway and motor Carrier Security program Office General Manager Bill Arrington requesting your assistance with a TSA initiative to vet all active CDL holders against federal terrorist watch lists. Also attached, is a copy of the data set we are requesting from your files. It is our understanding that this data set has previously been transmitted to an AAMVA point of contact within your agency.

As a follow-up, this Mr. Arrington would like to schedule a conference call with you to discuss this program and any questions you may have at that time. We are currently scheduling a one-hour call for Wednesday, September 12, 2007, from 12:30 to 1:30 pm EDT. We will forward the conference number and passcode to you at this e-mail address before that date.

Please accept our thanks for your assistance in this

Steve
