Subject: Comment on Rep. King's comments on Gov. Haley

Hi Rob,

I just left you a voicemail but I was wondering if you wanted to comment on something Rep. Steve King said today about the governor. An AP reporter said that the congressman Haley is not a "principled conservative" but: "I think she's beautiful so I'd be happy if she's the face of the party." What do you guys think of this?

Thanks,

Eliza Collins
