Dear Honorable Nikki R. Haley,

Your Honor I am writing you to request that you look at my case. I'm sitting in Jasper County Detention Center as a fugitive of the state; due to the fact I have a warrant in Indiana for my arrest and I do not have any charges in South Carolina. When I went before Judge Scoggins I was really sick and I really didn't understand what he was asking of me. I had a severe urinary tract infection when I got to jail and had to be on antibiotics for two weeks. Once I realized what happened when I asked for a bond instead of signing the waiver. I requested to speak with the judge numerous times and requested to sign the waiver. Your Honor I really do want to go back to Indiana my family, my children everything is in Indiana. Therefore I really do need to get back to Indiana to face my charges. Your Honor I ask of you

to please assist me in getting back to
Indiana as soon as possible so I can
do what I need to do to face my charges,
and get back to being the mother that I
need to be for my children. I realize
I messed up and I have done nothing
but sit here and go over it a million times
in my head. Your Honor I miss my children
dearly and I would really like to get
back to them. So therefore I'm doing
the only thing I know to do which is
ask for your help ~~because~~ everyone I
ask here just tells me there is nothing
they can do because it is out of their hands.
Please help me.

Sincerely,

Jessica L. Strohmeyer
