Dear Governor,

It has come to my attention that there is a confederate flag flying on the grounds of the SC Capitol. Even after 9 people were murdered because of their race in your state, this flag flies high. I urge you to take down the confederate flag immediately. It cannot be divorced from it's past a symbol of slavery and racial inequality. It is and will always continue to be an emblem of the white supremacy. By allowing it to fly on state property, your state gives the impression of endorsing this world view. Take it down.

Elizabeth Edwards
