Please be advised I'm am very interested and plan on attending the DVS. I'm the chief deputy coroner of Greenville county. I have been with the Coroner's office approx 24 years. I don't think people realize DV effects many more than just the victim and suspect. Please keep me advised on the summit. Im excited about the steps governor Haley has taken to preventing domestic violence. And many other steps she has taken to better the entire state of SC. in so many ways. Thanks for including me in this email. Mike Ellis, Greenville Co Chief Deputy Coroner 864-303-8266. PS I have also spoke with the Lexington Coroner Margret Fisher, who also be attending.
