Attached is a backgrounder – FOR INTERNAL USE ONLY. This is not for dissemination to the legislature or the public.

Also attached is a copy of the case. Since Martin's bill specifically points out that the Dissent "accurately reflects" the legislative intent, I suggest reading it – PDF Pages 23-28.

Becca – I've read this bill related to the car dealer closing fee. Can you send me a summary of the Supreme Ct case and any background on the interested groups involved.

Also, do we know if the Trial Lawyers will actively fight against this bill?
