

The ACT NCRC™ is a proven predictor of workplace success. Ask for it.

The South Carolina ACT Work Ready Communities initiative is helping employers match employees to jobs, based on verified skill levels.

Powered by ACT WorkKeys® assessments, the ACT National Career Readiness Certificate™ is a national credential that gives you concrete evidence of the level of workplace skills an individual has achieved—making it easier to match the skills an applicant has with the skills you need.

The ACT NCRC can also help to identify skills gaps, training needs, and promotion opportunities for your current employees—reducing turnover and increasing productivity in the process.

When you ask for the ACT NCRC and participate in the South Carolina ACT Work Ready Communities initiative, you're strengthening your business and supporting economic development in your community. Learn more at act.org/employers and workreadycommunities.org.
