Hello Katherine,

It is hard to believe it has been nearly 3 years since the press conference in Harbour Town announcing the dredging project. I hope all is going well with you.

I have a bit of a favor and hope you can assist. This year Gregg Russell is celebrating 40 years of performing in Harbour Town; he is such an important part of peoples vacation experience and he is such a great ambassador for Sea Pines Resort, Hilton Head Island, and the State of South Carolina. He has entertained millions of guests over these 40 years and we could not be more proud and appreciative of all he has done for our resort and community. I am hoping that at some point you and the Governor were able to enjoy one of his shows.

I wanted to see if there is any way of getting a letter from Governor Haley recognizing this accomplishment that we could present to him? I know he would be really touched and appreciative.

I look forward to hearing back from you and really appreciate you considering this request.

Many Thanks,
Rob
