WIS News 10 Sunrise (News)

... responsibilities a new board of trustees would have if current board members are replaced. each individual member has to be selected by a government leader -- like governor nikki haley or senate president pro tem hugh leatherman- and each board member would have to have experience in a field similar to finance. the committee said very little on the board's decision to put sc state president thomas elzey on administrative leave monday -- a move which contradicts the board's earlier stance ...
