**Subject:** access to former Governor Mark Sanford's press releases

---

Ms. Adams,

My name is JR Briscoe and I am a PhD candidate at the University of Memphis. Currently I am doing an in-depth project that involves former Governor Sanford. I am attempting to access press releases during his time as governor but unfortunately I can only access Governor Nikki Haley's press releases. Is there an archive online in which I can access the press releases of former Governor Sanford?

I appreciate your time.

Sincerely,

**James "JR" Briscoe**
