Dear Governor Niki Haley,

The Atlantic States Marine Fisheries Commission is pleased to provide you with our 2015 Annual Report. It informs you on the use of federal and state funds provided to the Commission. Our Commissioners appreciate the strong cooperation and support the Commission continues to receive from members of Congress, as well as the Governors and State Legislators of our member states. Commissioners recognize they have earned your trust and confidence through their previous successes in restoring fisheries and they remain committed to building on that record. Our history of accomplishments over these many years would not have been possible without your valued help. If you have any questions about the activities of the Atlantic States Marine Fisheries Commission, please give me a call.

Sincerely,
