**SC State Parks** @SC\_State\_Parks

While Ranger Jim was out doing some filming at Table Rock State Park, he captured this guy sunning on a log. Northern water snakes are often seen basking along the water's edge on logs or limbs. These snakes are non-venomous and will make a quick escape upon a close approach. [pic.twitter.com/b3KbbINkKt](https://pic.twitter.com/b3KbbINkKt)
