Catherine,

In my handwritten notes, I have a note saying that the phone number is 843-281-4531 and that I referred him to Trina Cason who is the I&R specialist for Waccamaw.

Good Morning, I didn't have any records of Jimmy Stewart in my inbox or the Ltgov inbox. I went into Danny's inbox and found this history. I will call Mr. Stewart and try to see where the confusion is coming from.

Jennifer Van Cleave reached out to him (I assume passed along some information, helpful numbers) and says he's good.

LG received this through a House member. Can someone please reach out to Mr. Stewart? I see he didn't provide a number, so maybe an email?

Pleas have someone call Jimmy Stewart

Jimmy,

Obviously the track is still a moving target - you might contact the Horry County EMD for specific evacuation locations.

Subject: Hey!

Just checking. As you already know, wife is 92, well 16th of this month!!!!!!! And, I am merely checking to see if you are aware of any sources that I can pursue somewhere to stay in case we must, or also pursue about staying during 'IRMA'! We want to stay in the area but may not be able to stay safely in our condo, which you may remember is on the third level of our building. Do not go to a lot of research, just ideas I can pursue.

We may have to leave and have pursued going to my son's home in Matthews, NC, close to Charlotte. All in the 'what will we do' stage. Just an inquiry, Mr. Duckworth, not a demand. I shall be in and out so just text or email will do!

Thanks in advance!

Jimmy Stewart
