JOIN KEN & GWEN at Landsford Canal State Park for a walk to the lilies. A 1.5-mile round trip guided hike with a ranger to see the awesome spider lilies in bloom. FRIDAY, June 3, 10am -- and you get a FREE GIFT. This is not a program usually offered -- just a one-time special for you! Space is limited. To reserve your spot, call 803-734-0767. Don't miss it -- it will be worth your while!

Martha Mason I called this number, but they said I needed to call the park. Who do I need to get in touch with?

South Carolina State Parks Martha, you need to call this number. Apparently I was not at my desk. If you call, and I do not answer, tell them you need to leave a message for Gwen. Thanks.
