Subject: Reuters inquiry

Attachments: gov_haley_to_sec_moniz_re_japanese_plutonium_march_23_2016.pdf

Good morning Chaney and Rob,

My Reuters colleagues are working on a story about the shipment of weapons-grade plutonium headed to SC from Japan. We have what appears to be a letter from Governor Haley to Secretary Moniz, but can you please confirm this letter indeed came from the governor and is authentic? The letter is attached for your review.

Thanks very much for your help as always,
Colleen Jenkins
