[scstateparks](#) If you've been to Colonial Dorchester State Historic Site, you've probably seen this bell tower. But did you know that it was built in 1751? At the beginning of the Revolutionary War, Dorchester was a fortified post for the Americans, its garrison was briefly commanded by Francis Marion. How interesting is that?! 📸: @jdeese_photography at 0:57:44 on 11/10/2020 UTC
