Good Afternoon Jeremy,

We have been faxed a copy of this letter which is falsely claiming to be from the Lieutenant Governor's Office on Aging. I have also informed DSS since they are included in the letter as being part of the investigation.

The name they are claiming to investigate sounds familiar and I am going to check my records.

Do you have any recommendations on what we can do to ensure this person does not cause harm by representing themselves in this way?

Thank you.

Catherine,  
As discussed, I have attached the letter received by a constituent and faxed to us. She was confused and afraid that law enforcement would be sent to her home.  
Mrs. Thompson's number is 843-607-1876.

Thank you,  
dale
