There is not much that can be done, but you can direct them to David Love at LLR. He handles wages in the Division of Labor and can answer questions about the wages statute; although, I don't think he will be able to provide any relief. His number is 896-7756.

Hal,

I'm not sure on this one. Looping in Holly for any ideas.

Thanks,

Subject: Any suggestion

I am getting several inquiries from constituents who are complaining that 1. Their employer is making them come into work during the disaster and 2. Making them use PTO, etc. if they can't make it into work.

Do you have any suggestions on this?

I know the Governor can't force businesses to close but I'm sure curfews would affect this as well.

Any advice would be much appreciated.
