Hi Chaney,

We are working on a special commemorating the Mother Emanuel anniversary that will air Fri, June 17th.

Is there any opportunity this week, or any time before then 17th, to sit down with the Governor for just a few minutes to talk with her about the example South Carolina is setting for the country and what she wants every [June 17th](#) to mean for our state moving forward?

Of course, we would work around her schedule and availability.

Thank you for your consideration.

Blessings,
