**Hi! You currently cannot view any reservations that you made in the old system, in the new reservation system. We are working on that. However, you can call 1-866-345-7275 and they can look up and confirm your reservations for you. The call center is available M-F, 8:30am to 5pm.**

Good afternoon. How do you access reservations booked through Reserve America before the change? Thanks!
