Dear Dr. Scott,

Happy birthday! There is no greater gift than the respect and love you have received from the many people whose lives you have touched. As someone who has dedicated her life to improving the lives of young people through education, you have made a positive impact that will be a source of strength and inspiration for generations to come. Michael and I are pleased to have the opportunity to join your friends and family in celebrating you on this special occasion and wish you the best for a very happy birthday. God bless.

My very best,
