Subject: Thanks and Goals and Objectives

Christian and Josh –

Thank you for taking the time to discuss our System's budget request. The System is committed to delivering high quality education and training for our workforce in South Carolina while ensuring that we provide open access and affordability for all South Carolinians.

I have reviewed the Goals and Objectives. Please remove the following Objectives: 1) Facilitate the implementation of the System's participation in the AtD and 2) Implement the Higher Education Efficiencies Act. These two objectives have been completed at the System level and will not be a part of our objectives for next fiscal year.

I will send you a readySC project summary in the next couple of days. In addition, we will provide the priority list for the College Initiatives following the Presidents Council meeting in November.

Please do not hesitate to call me if you have any questions.

Kindest regards,

Mandy
