My name is Jack Logan Founder of Put Down The Guns Now Young People Organization in The State of South Carolina. I am requesting to Attorney General Alan Wilson to shut down all night clubs in South Carolina due to so much gun violence until club owners hire certified law enforcement who have been certified by SLED. This will prevent lives being lost at a club and would prevent illegal drugs from coming in. Also make all club owners have liability [insurance.Th <http://insurance.Th>](http://insurance.Th) e way it is now bouncers allow their buddies to go in and not properly searching them and most of them are convicted felons. I'm trying to prevent people from being shot or killed inside the club or outside on the premises of the club. I mailed a letter but as of this date your office have yet to receive the letter. Mr. Wilson in doing this will reduce gun violence. My contact number [8643031030 <tel:8643031030>](tel:8643031030)
