Okay – are you still good to do 3:00 pm tomorrow?

Thanks,
Leigh

Okay, Tuesday is primary day, and as such we will have greater flexibility with legislative committees not holding conference meetings. Would you be available at 3:00 pm? Christian Soura, the Governor's Deputy Chief of Staff for Budget and Policy is closely following this issue and looks forward to discussing it with you further.

Leigh,

Thank you so much for getting back with me.

The best days for me would be Tue, Wed, Thur of next week (June 12-14), or Tue, Wed, Thur, or Fri of the following week (June 19-22). I could change some things around and be there Mon 6/11 or Fri 6/15 as well. The only day I cannot meet would be Monday 6/18.

Any time of day is fine.

Thanks, and I'll look forward to hearing from you. If calling is easier, you can reach me any time at (864) 414-3178.
