Subject: Wofford Panel Discussion on Medicaid Expansion

Dear Katherine,

This was just announced today. I have inquired as to whether there is anyone on the panel representing the Governor's position on this issue? In the unlikely event that I am asked to find someone who would do this, have you a policy person who could make it? I am qualified to discuss the issue and I agree with the governor's position, but have not read anything beyond a few sentences from the Governor's office. In any event, I should like to have whatever is available on this subject for now and for future reference.

If there is anyone available to come to Wofford this evening, please send name and contact information, though I will be surprised if the Chaplain's office has any interest in hosting a balanced panel. We'll see.

Here is the panel notice:
