TO: Ms. Nikki Haley

Hello, How are you doing? Hopefully 2014, the year has been a great year for you thus far. As for me, it's just a blessing for me to reach out and seek understanding. That being said, there are just a few issues I would like to address for one. I'm currently serving a 30 years sentence in the Department of Corrections for Murder; over the past 15 years, I've been seeking post conviction relief due me suffering from a mild case of mental retardation; and after I sent a petition to the Court of Common Pleas in 2002. A Judge Hawl's ordered a competency evaluation and treatment to be carried out by the Department of Corrections. to no avail. Now, it's my intent to have this order executed so, that I will be able to receive the aforementioned relief. The only problem is this: the Department of Corrections isn't in any shape, form or fashion designed or designated to function as a Mental Health Care Facility. Their thing is Crime and Punishment; not treatment and rehabilitation. And, Plus. My mental condition date's back pre-incarceration (era 1986). Therefore, I truly believe that I should in turn be evaluated by the proper authority which would be the Department of Mental Health. And because the Department of Mental Health ~~has~~ Statutorily

Responsibility for Custody and Control of individuals determined to have mental illnesses. Petitioner Should be examined and Observed at an appropriate facility of the Department of Mental Health by one or more examiners to determine whether Petitioner is Criminally Responsible Pursuant to S.C. Code Ann §§ 17-24-10(A)(b)(1976). To date the South Carolina Department of Corrections has failed to Comply with Judge Rawl's Order. Petitioner arrest that he Plead was involuntary and was obtained in Violation of the Due Process Clause, that Prohibits a Conviction of a Mentally incompetent defendant. Ms. Haleg, that's the importance of me being able to get properly evaluated and obtaining the proper treatment. If S.C. D.C has failed to yield to Such a process as a Court Order, I highly Suspect that this Matter will either be Neglected and/or because non-existent all together. And, it's Sad. I keep receiving the run-around about the Court of Common Pleas Reviewing My Case while they're doing nothing to ensure I receive this Evaluation/Treatment Ordered by Judge Rawl's It indeed is a Standing Order, and I will never be Completely Satisfied until its executed as it is a matter of law. In addition, Over the last 15 years, I've filed for Post Conviction Relief Several times, all in a timely Manner. But all of a sudden, it's like I'm being blackballed, with the Court of Common Pleas Refusing to re-instate My Case because of issue of tolling the Statue of limitations in P.C.R. applicant. But, in ferguson the Supreme Court Stated that "although we have not Specifically addressed tolling the Statue of limitations in Context of mentally incompetent PCR applicants, Case law Warrants a holding that in Circumstances in which the applicant demonstrates the failure to timely file for

for PCR. was due to Mental incompetency, the Statute of limitations Should be tolled," Id As Stated earlier, the initial PCR. applicant was filed promptly, and addressed the issue where Judge Rawl's gave his still Standing Order. Now any Subsequent PCP. applicant. were only filed in Striving to Revist aforesaid Order, and that brings this matter, all in all in its true light of importance. Ms. Haley, Could you Please look into this matter? And, I Know it's Proess, but, one Step At A time isn't too hard... I'm truly gratefull for your time. and just know that your patience is to the utmost importance to me. Thank you and MAY God Bless you.
